Department of Mechanical Engineering ACTIVITY REPORT

Name of the Activity	Workshop on Indian Patent Filing procedure
Type of Activity	Co- Curricular
Date and Time	19/08/2022, 10 AM to 11.30 AM
Details of the participants	25 Students
Organizing Department	Mechanical Engineering
Details of resource person	Prof. A. N. Naik

The introductory session, a complete introduction on intellectual properties, intellectual property laws & their clauses covered. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

Complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial law available under each right & the limitations of each right. That was an activity session for the students where students were given an activity to come up with an innovative idea, solution & presentation for the given problem statements. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups.

Dr. Vinayak H. Deokar

Assistant Professor, IIC Cell In charge
