Report on Fuel Java Training Program

Organized by: Sanjeevan Engineering and Technology
Institute, Panhala

In Association with: Fuel Foundation, Pune
Program Dates: 10th July 2023 to 24th October 2024

Coordinator: Shyam Kulkarni

Sponsored by: Capgemini

The **Fuel Java Training Program**, conducted at Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with Fuel Foundation, Pune, was an extensive training initiative spanning over 15 months. The program, which ran from 10th July 2023 to 24th October 2024, was sponsored by Capgemini as part of their Corporate Social Responsibility (CSR) initiative. The training focused on enhancing the Java programming skills of students, with the ultimate goal of improving their employability in the IT industry.

Objectives of the Program

The key objective of the program was to provide students with comprehensive training in Java programming, ensuring they develop the technical skills required to excel in the software industry. The program also aimed at creating job opportunities for the participants through placement drives and collaborations with industry partners. Additionally, the Fuel Foundation took care of the students' accommodation and food for three months, as part of their CSR efforts.

Key Highlights of the Program

1. Java Programming Curriculum:

The training followed a detailed and progressive Java curriculum, starting from the basics and advancing to complex topics like object-oriented programming, data structures, algorithms, and Java frameworks. The structured approach ensured that students gained a strong foundation and practical experience in Java development.

2. Hands-On Training and Projects:

The program emphasized hands-on learning, with students engaging in real-world projects and coding exercises throughout the training. The project-based approach helped students apply theoretical knowledge to practical problems, boosting their problem-solving abilities and coding efficiency.

3. Job Opportunities and Placements:

One of the most significant outcomes of the program was the job opportunities provided to students. After successfully completing the training, participants were given the chance to attend placement drives organized by Capgemini and other partner companies. Several students secured job offers, demonstrating the effectiveness of the training in preparing them for industry roles.

4. Support and Sponsorship by Capgemini:

The program was generously sponsored by Capgemini under their CSR initiative. In addition to funding the training, Capgemini also provided placement opportunities, helping students transition smoothly into the professional world. This partnership was crucial in offering students a pathway to employment after the program.

5. Accommodation and Food Facilities:

Fuel Foundation played a significant role in ensuring the students' well-being during the training period. They provided accommodation and food for the first three months of the program, ensuring that students from different locations could focus entirely on their learning without worrying about basic necessities.

Role of the Coordinator

Shyam Kulkarni, the program coordinator, played a pivotal role in ensuring the smooth execution of the training. He managed the logistical arrangements, coordinated between the students, trainers, and sponsoring organizations, and provided continuous support throughout the program.

Conclusion

The Fuel Java Training Program, held at Sanjeevan Engineering and Technology Institute, was a highly successful initiative that empowered students with critical Java programming skills. Sponsored by Capgemini and supported by Fuel Foundation's comprehensive care, the program not only enhanced students' technical knowledge but also opened doors to job opportunities in the IT industry. The collaboration between academia, industry, and non-profit organizations proved to be a model for effective skill development and employability enhancement.

Memorandum of Understanding

This Memorandum of Understanding is made at Pune on 10-06-2021

BETWEEN

"Sanjeevan Engineering & Technology institute" having its Registered Office at Kolhapur, Maharashtra. Hereinafter referred to as "Sanjeevan Engineering & Technology institute" (Which term shall so far as the context admits be deemed to mean and include its successors, administrators and assigns) of the First Part,

AND

GTT Foundation a Company incorporated under the Companies Act, 1956, having its Corporate Office at Office No. 312 & 313, 3rd Floor, City Space, Vadgaonsheri, Pune-411036, Maharashtra, hereinafter referred to as "GTT FOUNDATION" (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and assignees) of the Second Part.

WHEREAS:

1. Sanjeevan Engineering & Technology institute is an educational institution affiliated to Dr. Babasaheb Ambedkar Technological University.
2. GTT FOUNDATION is a Training Partner associated with various corporates for providing training to the students as part of their CSR activity.
3. Sanjeevan Engineering & Technology institute is willing to enter into a Memorandum of Understanding (MOU) with GTT FOUNDATION for the skills enhancement initiative program.

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:

GTT Foundation
10, Talera Park, Kalyani Nagar, Pune-411014

HOD

Department of Computer Science
& Engineering
Sanjeevan Engg. & Tech. Institute
Somwar Peth, Panhala - 416 201

PRINCIPAL
Sanjeevan Engg. & Tech. Institute
Somwar Peth, Panhala, Dist. Kolhapur. (MS)

1. Objective:

The objective of this MOU is to enable students of Sanjeevan Engineering & Technology institute access resources that would enhance their employability.

2. Period of MOU:

This MOU shall come into force and effect from the date of execution and shall remain valid for a period of One year from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. Roles & Responsibilities of the Sanjeevan Engineering & Technology institute;

- a. Sanjeevan Engineering & Technology institute shall be responsible to nominate one person with adequate accountability and responsibility to coordinate the engagement. The person so appointed would act as the single point of contact (SPOC) for the proposed initiative.
- b. Sanjeevan Engineering & Technology institute shall share in their letterhead the details of the students who will attend the aforesaid training program with GTT FOUNDATION like name, email ID, contact details, Name of the Company in which Candidate is placed(current Company), qualification (along with the year of completion/pursuing) and other documents as per GTT FOUNDATION training requirements.
- c. It would be the responsibility of the Sanjeevan Engineering & Technology institute to ensure that proper publicity of the Program is made through their website.
- d. It would be their responsibility to ensure that all their students adhere to training schedule. Timings Of The Training from 9 AM – 6 PM
- e. Sanjeevan Engineering & Technology institute to refrain conducting any of their training or call with the students when GTT FOUNDATION training is going on.

- f. To encourage the Students to register for the Program by informing them about the benefits of the program.
 - g. To provide all the support services and facilities to GTT FOUNDATION during the conduct of the said Training Program.
 - h. To coordinate with GTT FOUNDATION and facilitate conduct of all the assessments including the assessment to be conducted by the external agency (if any) identified by GTT FOUNDATION , as per schedule communicated by GTT FOUNDATION .
 - i. To encourage the students to avail the placement/internship opportunities given by GTT FOUNDATION .
- 4. Roles & Responsibilities of GTT FOUNDATION :**
- a. GTT FOUNDATION shall be responsible to provide access to employability enhancement training.
 - b. GTT FOUNDATION will arrange for assessment of its own and also arrange external assessment as required.
- 5. Other Terms & Conditions:**
- Following are the other terms and conditions of MOU:
- a. The students enrolled should complete the training as scheduled.
 - b. The students should register as per the process of GTT FOUNDATION.
 - c. Program Coordinator to be appointed by College
 - d. TPO's active support and participation is required for smooth & efficient conduct of the program

6. Commercials:

This Training Program is free of cost. GTT FOUNDATION shall not charge any fees on whatsoever account/name from the students or the Society for conducting the aforesaid training program.

7. Certification:

Certificates shall be awarded by GTT FOUNDATION to the students on successful completion of the training and clearing of the assessment held post completion of the training program.

8. Limitations and Warranties :

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

9. Termination:

- a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
- b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the on-going Training Programs, which would be without any hindrance and would be progressed for completion.

10. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the Training Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

11. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or

developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

12. Confidential Information:

- a. Both parties undertake to each other to keep confidential all information (written or oral) concerning the business and affairs of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious;
- b. Already in its possession other than as a result of a breach of this clause; or in the hands of the public other than as a result of a breach of this clause.
- c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek a timely protective order or any other appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the disclosure of the Confidential Information only to the extent that is legally required of it and no further.
- d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement have been terminated, not earlier than two years from the date of termination.

13. Force Majeure:

- a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be

result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

- b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

14. Non-Solicitation:

Sanjeevan Engineering & Technology institute agrees that during the term of this Agreement and for a period of one (1) years after the termination or expiry thereof, Sanjeevan Engineering & Technology institute shall not, directly or indirectly, employ, contract, solicit, hire or otherwise utilize the services of an existing employee of GTT FOUNDATION

15. Jurisdiction and Arbitration:

- a. In the event of any dispute or difference between the Parties hereto, the courts in Pune alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Pune, Maharashtra.
- b. Any dispute arising out of, in relation to or in respect to this MOU shall be settled through mutual consultation and agreement, by the Parties to this MOU. In case a

One Page Report
on one week Student Development Program
“Life Skill”

Organised by: CSE Department and T & P, SETI, Panhala

Resource Person: Mr. Shashank Sahay from Rubicon.

Program Coordinator: Prof.V.S.Pawar

Duration of Program: 12-03-23 to 16-03-23.

Venue: Class room no. C306, CSE Dept. SETI.

The One Week Student Development Program on “Life Skill” had organised by the CSE & T & P department for placement and point of view. The objective of this workshop was to flourish the knowledge approach of Interpersonal skill that help student make informed decision, solve problem, think critically and creatively, communicate effectively build healthy relationships. The training which was held under your guidance and support of Prof.R.S.Nejkar, H.O.D CSE department and Dr.S.N.Jain, Principal of SETI, Panhala. Total 55 students had attended the training session. The training session was conducted from 12/03/2023 to 16/03/2023. As per the schedule the various topics are covered during the sessions.

Thanks to all faculty members who has contributed in this training session.

Report on Life Skills Development Program

Organized by Sanjeevan Engineering and Technology Institute, Panhala
In Association with
Rubicon Skills Pvt. Ltd. Pune

Date: 12th February 2024 to 16th February 2024
Trainer: Mr. Madan Patil, Rubicon Skills Pvt. Ltd.

The Life Skills Development Program, conducted from 12th to 16th February 2024 at Sanjeevan Engineering and Technology Institute, Panhala, was a comprehensive workshop aimed at enhancing the essential life skills of students. This program, organized in collaboration with Rubicon Skills Pvt. Ltd., was facilitated by Mr. Madan Patil, an expert trainer specializing in personal and professional development.

Objectives of the Program

The program was designed to equip students with critical life skills necessary for their personal and professional growth. Key focus areas included communication, problem-solving, teamwork, leadership, and emotional intelligence. The goal was to build a strong foundation that would help students succeed in their future careers, both in the workplace and in personal interactions.

Key Highlights of the Program

1. Communication Skills:

On the first day, Mr. Patil emphasized the importance of effective communication. Students participated in various activities aimed at improving both verbal and non-verbal communication skills. Through interactive sessions, they learned how to present their ideas clearly, listen actively, and respond appropriately in different situations.

2. Teamwork and Collaboration:

The second day focused on the value of teamwork and collaboration. Mr. Patil guided the students through group exercises that encouraged cooperation, mutual respect, and collective problem-solving. The session highlighted how teamwork contributes to achieving common goals, both in academic and professional settings.

3. Problem-Solving and Critical Thinking:

Day three was dedicated to enhancing students' problem-solving and critical thinking abilities. Mr. Patil introduced structured problem-solving techniques, helping students analyze situations, think creatively, and develop practical solutions. Through case studies and interactive challenges, students were able to apply these techniques in real-world contexts.

4. Leadership Development:

On the fourth day, Mr. Patil focused on leadership skills, explaining the qualities of effective leaders and the role of decision-making in leadership. Students participated

in leadership activities that tested their decision-making capabilities and adaptability, preparing them to take on leadership roles in their future endeavors.

5. **Emotional Intelligence and Self-Management:**

The final day of the program emphasized the importance of emotional intelligence and self-management. Mr. Patil discussed how understanding and regulating emotions can lead to better interpersonal relationships and personal well-being. Students were encouraged to reflect on their emotional strengths and areas for improvement, and strategies were shared for managing stress and maintaining a positive outlook.

Learning Experience

The program provided a highly engaging and interactive learning environment. Mr. Patil's energetic and motivational approach kept the students actively involved throughout the five days. He used a variety of teaching methods, including group discussions, role-playing, and hands-on activities, ensuring that students could apply the lessons in practical settings.

Conclusion

The Life Skills Development Program, conducted by Mr. Madan Patil, was a resounding success, providing students with vital skills that will support their academic, personal, and professional growth. The program helped students enhance their communication, teamwork, problem-solving, and leadership skills, while also increasing their emotional intelligence. This initiative has set a solid foundation for students to face future challenges confidently and effectively.
