“CSE Dazzles with Navratri Colors ”

Organized by the CSE department from Monday 16/10/2023 To Monday 23/10/2023.

Organized by: CEGA Committee, CSE Department, Sanjeevan Engineering & Technology Institute, Panhala

Event Coordinator: Prof.P.D.Patil, CEGA Co-ordinator, CSE Department, SETI, Panhala.

Date of Event: Monday 16/10/2023 to Monday 23/10/2023.

Venue: CSE Seminar Hall, Sanjeevan Engineering & Technology Institute, Panhala.

This report chronicles the vibrant Navratri color celebration organized by the Computer Science Engineering Association (CEGA) committee on the college campus in 2023.

CEGA's Colorful Initiative

The CEGA committee took the lead in transforming the college campus into a dazzling display of colors during Navratri 2023. Their efforts specifically focused on creating an inclusive and engaging environment for the CSE department students.

A Week-Long Color Parade

Each day of Navratri unfolded with a new wave of color. CEGA members actively promoted the daily color themes through posters and social media campaigns. This encouraged enthusiastic participation from CSE students, who sported a variety of traditional and trendy outfits that matched the designated colors. The hallways buzzed with a

delightful display of ethnic wear, fostering a spirit of festivity and cultural connection.

Garba: A Celebration of Unity

CEGA organized a special Garba on October 20, 2023, inviting students from CSE departments. The seminar Hall was transformed into a lively dance floor, pulsating with the rhythmic beats of dhol drums. Students, attired in their festive best, enthusiastically participated in Dandiya Raas, the energetic folk dance associated with Navratri. This inclusive event fostered a sense of community and cultural exchange, transcending departmental boundaries.

A Resounding Success

The 2023 Navratri celebration organized by the CEGA committee was a resounding success. The vibrant display of colors, the inclusive Garba night, and the focus on eco-friendly initiatives created a memorable experience for all CSE students and participants from other departments. The event not only strengthened the bonds within the college community but also served as a testament to CEGA's commitment to fostering cultural appreciation and creative expression.
