|  | <b>Contact Number:-</b>         | <b>8999294658</b>  |

### Professional Skills:

#### 1. Networking and Technical Support:

- Skilled in IP addressing, subnetting, VLSM, and configuring routing protocols (RIP, IGRP, EIGRP, OSPF).
- Experienced in connecting to WAN and configuring VLANs.
- 

#### 2. Hardware and Software Expertise:

- Extensive experience in Windows OS installations, software and hardware device installations, disk partitioning, and PC assembly.
- Proficient in troubleshooting network connectivity issues and performing hardware repairs.
- Programming Skills-C,C++,JAVA, Python

3. **Data Analysis and Management:**

- o Skilled Data Analyst with experience in data processing, analysis, and reporting.
- o Competent in MS-Access and Visual Basic Net for managing and automating inventory systems.

4. **Communication and Soft Skills:**

- o Strong communication skills in English, Hindi, and Marathi.
- o Quick learner with the ability to adapt to new technologies and methodologies.
- o .

5. **Project Management:**

- o Experienced in designing, developing, and testing software projects.
- o Ability to manage project timelines and collaborate effectively within a team environment.

**Lab Assistant:**

**Department of Computer Science & Engineering**

- o Computer Network Lab
- o Project Lab
- o Operating System Lab
- o Web Technology Lab
- o Database Lab
- o CAD/CAM Lab

Place: Panhala
