Technical Event Report

Title of Event : "E-BLAST"

Duration: 20th March 2018

HOD: Prof. P.P. Kulkarni.

Coordinators: Prof. V.T.Metkari

Event Details:

As per the culture of Engineering College, every academic year Department of Electrical Engineering organizes inter college technical event for aspirants assembling from various engineering colleges with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. For the preceding academic Year 2018 we have organized "E-BLAST" with the same enthusiasm and determination among the new set of student coordinators, student volunteers and faculty coordinator during 20th March 2018.

These events are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 100 registrations for one day fest which includes all the events. The fest executed with a total of 5 events i.e Paper presentation, Quiz Competition, Ludo King, and Project Exhibition, planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration. The winners were encouraged with a cash prizes almost for all the events.

Department feels proud to organize such a successful event and would like to convey thanks to principal and management for their timely advice and cooperation for organizing successful Fest. Not to forget final year and pre-final year students of Electrical Department also deserve thanks for contributed their complete effort and participants for making "E-BLAST"
