### “Interactive Session on Career Opportunities for MS & PhD”

By: - Miss. Maitreyee Deshmukh

Department of Electrical Engineering had arranged an interactive session on **“Career Opportunities” in Pursuing MS and PhD in India and abroad** for third and final year Electrical students. It was held on 18<sup>th</sup> June, 2019 at 11.30 pm in Electrical seminar hall.

**Miss. Maitreyee Deshmukh has completed her B.E. (Electrical Engg., from SETI, Panhala in 2015) and M.E. (Power Electronics & Drives from Father Conceicao Rodrigues Institute of Technology, Mumbai University in 2017) and will be perusing her MS PHD from Germany.**

**Miss. Maitreyee gave the guidance regarding the preparation of various competitive Exams like GATE, GRE, TOEFL, IELTS, etc. which was very useful for the students.**

**Electrical Engineering Department, SETI, Panhala Wishes Maitreyee Best of Luck for her future.**
