

MEMORANDUM OF UNDERSTANDING (MOU)

**Party 1: Maharashtra State Electricity Transmission Corporation Ltd.
[MSETCL]**

1. – (henceforth referred to as Party 1)

**Party 2: Department of Electrical Engineering,
Sanjeevan Engineering & Technology Institute, Panhala**

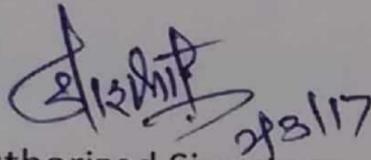

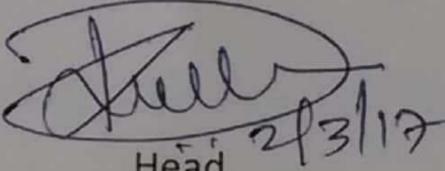

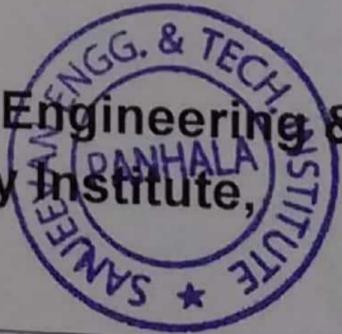

2. – (henceforth referred to as Party 2)

Following Memorandum of Understanding has been reached between and signed by the above-mentioned two parties.

1. Party 1 will extend its support and sponsorship for the Projects and Practicals for the undergraduate and post graduate students of Party 2, identified and approved by mutual convenience. Party 1 will permit the use of their equipment and facilities to the students of Party 2, according to the norms / procedures laid down by Party 1 for this purpose.
2. Party 1 will allow usage of their library facilities, relevant standards and handbooks etc. to the students of Party 2, for their projects and practicals, if required.
3. Party 1 will allow visits of the students of Party 2 to its plants and facilities for study purpose, with prior permission and arrangements.
4. Party 1 will allow the students of Party 2 to undergo vocational training of stipulated duration in its plants/facilities whenever possible, with prior permission.
5. Party 1 will permit their executives and experts to render their expertise for the academic benefit of the students of Party 2, through invited lectures, seminars, as judges to various technical competitions etc. in a convenient manner.
6. Party 2 will make available to Party 1, its library facilities, reference books, journals, periodicals and handbooks for on the spot reference.

7. Party 2 will offer its laboratory / computer facilities for any experimental or testing work required by Party 1 with prior permission and arrangement.
8. Party 2 will provide training to employees of Party 1, in various areas. Areas, logistics and other terms of such training programs will be mutually decided.
9. Party 2 will offer technical consultancy services to Party 1 as required. Scope and terms of such services will be decided by mutual convenience.
10. Specific tasks or assignments in areas not covered by this MOU can be explored and undertaken with mutual consent of both Party 1 and Party 2.

This Memorandum of Understanding is signed on Thursday, March 02, 2017.

For Party 1	For Party 2
 2/3/17 Authorized Signatory	 2/3/17 Head,
SEAL 	Department of Electrical Engineering (Head Electrical Engineering Dept.) SANJEEVAN ENGINEERING AND TECHNOLOGY INSTITUTE, PANHALA Somwar Peth, Tal.Panhala, Dist.Kolhapur-416 71 MAHARASHTRA, INDIA. Sanjeevan Engineering & Technology Institute, Panhala 

The discussions were held as per agenda of the meeting & the following resolutions were passed-

Item No.	Selection of workshop proposals				
1					
Resolution No.1	As per the recommendations of the working committee the following proposals were accepted and the details of the program and budget sanctioned are shown below.				
Sr. No	Name of institute	Date	Name of programme	Programme for	Sanction Amount
1	TKIET, Warananagar	14 to 16/02/19	Technical Enhancement program on E-Tendering	Student & Faculty	15000
		16/03/19	Jidnyasa 2K19, Project & Industry problem solver competition	Student & Faculty	30000
		07 to 09/02/19	Innovation & Entrepreneur awareness	Students	15000
		21 to 23/02/19	Hands-on Workshop on Machine Learning	Students	15000
		Total Amount			
2	SGI, Atigre	08 to 09/03/19	Two Days Workshop on Automotive Mechatronics for Students	Students	19500
		Feb-19	Two Days Workshop on "ADAMS : Automatic Dynamic Analysis of Mechanical System"	Student & Faculty	10000
		13 to 14/02/19	Two days workshop on "Drone Making"	Student & Faculty	15000
		15 to 16/03/2019	Two Days Nationals Workshop on LaTeX:A document Preparation system	Student & Faculty	20000
		Total Amount			
3	jjmcoe, Jaysingpur	28 to 29/03/19	Two Days Faculty Development Program on "Resent Trendera in Artificial Intelligence (AI)"	Staff	22000
		7/3/2019	Design and simulation of Micro strip antenna	Students	17000
		1 to 2/03/19	Finance Management & Taxation For Engineers	Students	20000
		Total Amount			
4	SETI, Panhala	Decided Mutually	Workshop on Demonstration on Hot Line Maintenance at MSETCL, Talandage	Student & Faculty	15000
		Total Amount			
5	AMGOI Vathar	18 to 20/03/2019	Soft Computing Techniques for Modeling & Optimization in Mechanical Engineering	Faculty	20000
		18 to 19/03/2019	"Two days Workshop on Empowering Entrepreneurship & skill development :Past & Future"	Students	15000
		Total Amount			
6	DYP, Talsande	28/02/2019	Information Security & Ethical Hacking	Students	7000
		Decided Mutually	2/3 days Entrepreneurship Awareness Camp	Students	10000
		Total Amount

Notice

All the T.E & B.E Electrical students are hereby informed that one day workshop on "***Demonstration on Hot line maintenance of transmission line***" Under Lead College Activity is scheduled on 15th March 2019 at Gokul Shirgaon MIDC substation. This workshop will be beneficial for the students to get the industry exposure and to learn live line maintenance methods.

Interested students can register their names in department office till 13th March 2019.

HOD

(Electrical Engg.)
SANJEEVAN ENGINEERING AND
TECHNOLOGY INSTITUTE, PANHALA
Somwar Peth, Tal. Panhala, Dist. Kolhapur-416 201

Ref No: SETI/Elect/2019/98.

Date: 11/03/2019

To,
The Additional Executive Engineer,
MSETCL, Gokul Shirgaon MIDC, Kolhapur

Sub: Request for one day workshop on 15th March, 2019.

Dear Sir,

As you may be aware, Sanjeevan Engineering and Technology Institute is one of the reputed Engineering Institutions in Kolhapur and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in Electrical, Mech, Civil, CSE, ETC and Automobile. Seeks permission for their TE & BE Electrical Engineering students to visit your esteemed organization for one day workshop on Demonstration on HOT Line Maintenance in Transmission Line.

Kindly accord Permission to Visit your esteemed organization on 15th March 2019 for a team of 70 (3 Faculty + 67 Students) as per our telephonic discussion.

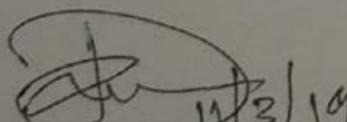

I request you to kindly accord the necessary permission for the above workshop and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

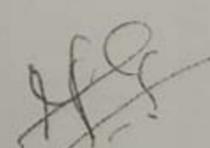

We shall be grateful for a favorable response.

Thanking You,

Yours faithfully,

Prof. P. P. Kulkarni
HOD, Electrical Engg.

REGISTRATION

The participants should send the applications (Hard and Scan copy) in the specified format (enclosed here to reach the Coordinators via post or e-mail latest 13th March 2019.

LAST DATE OF REGISTRATION:

13th March 2019

Important Note: Each Institute is requested to register at least two Students/Staffs from their institute.

REGISTRATION FEE

Free for clustered colleges. Other than Cluster college Students/Staff Fee Rs.250/-.

TRANSPORT

Students/Staffs are requested to make their own arrangements to reach the workshop place.

WORKSHOP PLACE

MSETCL, Gokul shirgaon MIDC, Kolhapur

• ABOUT INSTITUTION

Sanjeevan Engineering and Technology Institute (SETI) is an establishment of Sanjeevan, meets the needs of technology driven modern 21st Century. The Institute is approved by All India Council for Technical Education, New Delhi, recognized by Directorate of Technical Education, Govt. of Maharashtra and affiliated to Shivaji University, Kolhapur. Sanjeevan Engineering & Technology Institute (SETI) is long cherished dream of Founder-Chairman Mr. P. R. BHOSALE, an educationalist having experience about two decades. His aim is to impart quality education to the students from nook and corner of the country. Holy-wood Academy, Kolhapur known as Sanjeevan Knowledge City, Panhala, has the wings: Sanjeevan Public School, Sanjeevan Vidyanketan, Chhatrapati Shivaji Junior College and Sanjeevan Engineering & Technology Institute (SETI). SETI established in 2009, within shortest period of time, it has evolved into an institution imparting quality in technical education at undergraduate level. It has 6 UG & 2 PG, 2 Diploma departments about 96 talented, experienced and dedicated faculties and over 1500 students and several centers of excellence. SETI has an excellent ambience of library with digital mode and online journals, advanced Core-2 Duo Computer Lab and language lab, Wi-Fi Campus, modern approach and necessary equipment's in laboratories, hospital, gymnasium, swimming pool, and outdoor stadium, bus facility for students and faculty from Kolhapur and 100% concession fees to university toppers and 50% concession fees for class toppers.

• ABOUT THE DEPARTMENT

The Electrical Engineering Department was established in 2010. The department of Electrical Engineering has an intake of 60 students. We proposed Ten well-equipped different laboratories like Electrical Machines, Power System, Control System, Switchgear and Protection, High Voltage lab., Basic Electrical & Electronics, Electrical measurement & Measuring Instrument, etc. These labs holistically conform to not just the University curriculum but also industry requirements. In addition to that many

additional extra curriculum activities that are being conducted for the students to give them cut edge knowledge in the fast paced world of Electrical Engineering. And the results are clearly visible. We provide platform for students to prepare for qualifying in competitive exams like GATE, GRE, and TOFEL etc. For last year, many more students of this department have been securing ranks in the list of Shivaji University. A dedicated faculty, who are upgrading themselves, keeping pace with the global progress, drives the department. They have published many research papers at National level. The students too are motivated to present their research papers and projects at State and National level winning prizes. For installing a sense of competence and make the learning more interesting the department has established Electrical Engineering Students Association (EESA), ISTE student chapters. The department has its own library with IEEE journals and transactions

• ABOUT THE WORKSHOP

Workshop is regarding the different methods in Live Line Maintenance of Transmission Line. Hot Line Maintenance is one of the methods in Transmission Line Maintenance. After completing this workshop students/staff will understand replacement of faulty insulators by Hot Line Method also they will understand the principle of puncture insulator detector by kit.

• WHO SHOULD ATTEND

Students and faculties with Electrical Engineering stream from academic Institutes can attend the workshop.

To,

Mr. Nitin K. Dake
Additional Executive Engineer
MSETCL, Kolhapur

Dear Sir,

We would like to extend our warm thanks to you for giving us your valuable time & industrial knowledge for our students & Staff of Electrical Engineering Department, Sanjeevan Engineering & Technology Institute, Panhala.

We sincerely thank you for the support and we hope that you would continue to extend your support in our future academic year.

Thanking You,

Mr. P. P. Kulkarni
HOD, Electrical Engg.

One Day
Workshop on,
“Demonstration on Hot Line Maintenance of Transmission Line”
Under Lead collage activity, Shivaji University Kolhapur

Title of Workshop: “Demonstration on Hot Line Maintenance of Transmission Line”

Duration of Workshop-: 1 day (Full Day)

Workshop Date: 15/03/2019

Resource Persons-:

- 1) Mr. Nitin K.Dake (Additional Executive Engineer, MSETCL, Talandge)
- 2) Mr. Bhushan Varke (Dy. Executive Engg., Hot Line Maintenance Dept., MSETCL)

Head of Department -: Mr. Prasad P. Kulkarni (Electrical Engg.)

Workshop Coordinator-: Mr. Prasad P. Kulkarni (Electrical Engg.)

Workshop Details-:

The Electrical Engineering Department of Sanjeevan Engineering and Technology Institute, Panhala, organized a one day workshop on **“Demonstration on Hot Line Maintenance of Transmission Line”** for Staff and students of TE & BE Electrical Engg on 15th March, 2019. The Programme was sanction by Shivaji University Kolhapur, under Lead Collage activity.

For this workshop 13 staff members and 69 students from SETI, Panhala Electrical Engineering Department were present. The total participants for the workshop were 82. This workshop was very much useful for the students and all the participants in understanding the practical concepts of Power systems, various equipments used in Transmission & Distribution systems. The participants were also explained about the various maintenance methods of transmission line. One of the major and recent methods of live line maintenance is Hot Line Maintenance. The students were able to see the PID (Puncture Insulator Detector) test on live line and also seen the replacement of faulty Insulator. This workshop was useful for maintenance work and as carrier opportunity in this field. The entire workshop was coordinated by Mr.P.P.Kulkarni along with Mr.P.B.Gurav & Mr.A.M.Bhandare of Electrical Engineering Department.

SETI, Electrical Engineering department thank Workshop Resource persons Mr. Bhushan Varke (Dy. Executive Engg., Hot Line Maintenance Dept., MSETCL), Mr.Nitin K. Dake (Additional Executive Engg., RTC, Talandge) & their entire team for guiding us and giving us valuable knowledge about Hot Line Maintenance. We thank Lead College Members for providing us an opportunity to arrange such kind of workshop. We also thank our Management & Principal Dr. Mohan B.Vanarotti sir for motivating us and constantly supporting us to arrange such workshop for students & staff. Lastly we thank one and all who were directly or indirectly involved in making this workshop a grand success.
